

SOUTH CAROLINA UNITED FC SPONSORSHIP

SELECT OR JUNIOR ACADEMY WARM-UP JERSEY SPONSORSHIP FORM

FALL 2010/SPRING 2011

South Carolina United FC represents approximately 4600 families throughout the greater Columbia area and the state. We are a 501(c)3 charitable organization and as such, donations may be taken as a tax deduction in the form of a charitable contribution or as an advertising expense, but be sure to check with your accountant.

South Carolina United FC promotes through the game of soccer positive growth and development for all of our players.

Sponsorships can be donated for Recreational Teams, Select Teams, or Junior Academy Teams. Select or Junior Academy Team sponsorships are a one-time annual sponsorship as teams and uniforms remain unchanged throughout the year.

South Carolina United FC greatly appreciates your sponsorship donation!

For the 2010-2011 Select/Junior Academy Soccer season, South Carolina United FC is providing team players with a South Carolina United FC Warm-Up Jersey.

- The players will wear these jerseys during warm-ups prior to the games.
- They will also wear these jerseys in the community throughout the year.

South Carolina United FC is pursuing sponsorships for these soccer programs by selling advertisement blocks on the back of the practice jerseys for \$500.00 each. Company logos can be placed on these practice jerseys displaying your company's name throughout the community for the entire year.

Please consider this valuable sponsorship and, at the same time, assisting the further development of the South Carolina United FC Select and/or Junior Academy Program.

- Please make checks payable to **South Carolina United FC**
